

7 Inch SoilMarker

Fact Sheet

Part# SM

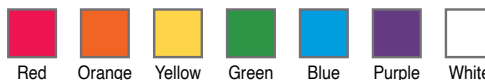

The flush mounted 7 Inch SoilMarker is highly visible and low-profile for areas where upright posts aren't practical. It can be walked on, mown over, and driven across.

Description:

- Standard version: 7" round disk | 13" stake with two barbs
- Temperature Stable/UV Stable
- Impact Resistant Polypropylene Disk
- Reinforced Polypropylene Thermoplastic Stake
- Hot Stamped warning legend is molded into the disk
