

Hybrid 3-Rail Post

Fact Sheet

Part# RH3

Profile
View

The Hybrid 3-Rail has engineered thermoplastic construction and a curved profile, making it easy to drive into the ground like a standard fiberglass post. Unlike standard fiberglass posts, the Hybrid post won't crack or splinter when impacted from the side or directly with a tire.

Description:

- Standard lengths: 62" | 66"
- Width: 4"
- Made from extruded thermoplastic
- Curved profile provides rigidity
- 18" bury-depth decal included
- Temperature stable
- UV Stable
- Pointed end for easy installation
- 10-year warranty
